Honorable Samner E. Shriver
House of Representatives
Washington 25, D. C.

Dear Mr. Shriver:

Thank you for your letter of March 18, 1964, forwarding a letter from Marilyn A. Hartley concerning Professor Norman Redlich, who is serving as a consultant to this Commission. Pursuant to the terms of Executive Order No. 10450, a full field investigation is now being conducted concerning Professor Redlich. When that investigation has been completed, the Commission will determine whether Professor Redlich should be granted a security clearance.

Several other Congressmen have forwarded similar letters. In one case, the Congressman asked us if we would care to suggest a reply. I enclose a copy of the reply we suggested to him, which you may use as you see fit.

Sincerely yours,

SIGNED
